

GROUP M5 FUNGICIDE

Active Constituent: 720g/L CHLOROTHALONIL
Poison Schedule: 6 (POISON)
APVMA Approval No: 63121

Eligible containers
 5L
 10L

For Control of Dollar Spot, Brown Patch and Grey Leaf Spot in Turf

Pack Size:
 5L (4 x 5L per carton)
 10L cubes

Dangerous Goods Class:
 Not classified as a dangerous good under the Australian Code for Transport and Storage of Dangerous Goods in Australia.

Situation	Disease	State	Rate	Critical Comments
TURF AND LAWNS	Dollar Spot (<i>Sclerotinia homeocarpa</i>) Brown Patch (<i>Rhizoctonia</i> sp)	All States	130-200mL/ 100m ² in 5-20L of water.	Use higher rate if disease is already established, Apply at 7-14 day intervals. Under severe conditions spray at 7 day intervals. Do not mow or water treated area until turf or lawn is thoroughly dry. Ideally allow 24 hours for full fungicide activity to occur.
	Grey leaf Spot (<i>Pyricularia grisea</i>)	NSW, ACT	240mL/100m ² in 5-20L of water.	

NOT TO BE USED FOR ANY PURPOSE OR IN ANY MANNER CONTRARY TO THIS LABEL UNLESS AUTHORISED UNDER APPROPRIATE LEGISLATION.

General Instructions:

Resistance Warning

GROUP M5 FUNGICIDE

For fungicide resistance management DACOGREEN 720 WEATHERSHIELD is a GROUP M5 fungicide. Some naturally occurring individual fungi resistant to DACOGREEN 720 WEATHERSHIELD and other Group Y fungicides may exist through normal genetic variability in any fungal population. The resistant individuals can eventually dominate the fungi population if these fungicides are used repeatedly. These resistant fungi will not be controlled by DACOGREEN 720 and other Group Y fungicides, thus resulting in reduction of efficacy and possible yield loss.

Since the occurrence of resistant fungi is difficult to detect prior to use, Colin Campbell (Chemicals) Pty. Ltd. accepts no liability for any losses that may result from the failure of DACOGREEN 720 WEATHERSHIELD to control resistant fungi.

Mixing

Thoroughly shake or roll the container several times to ensure uniform mixture. Mix the required quantity of product with water in the spray tank with the agitator operating. Agitate while operating.

COMPATIBILITY

This product is compatible with wettable powder formulations of the most commonly used fungicides, insecticides and miticides. DO NOT combine with oil-based emulsifiable or flowable pesticides, unless prior experience has shown the combination to be non-injurious to your turf grass. This product should not be mixed with spraying oils or sprayed on to crops that have been sprayed with oil for at least 10 days after the oil spray. Oils should not be sprayed on crops treated with this product for at least 10 days after the last spray. Wetting agents have not improved performance. Under some conditions, certain surfactants can cause plant injury.

PROTECTION OF LIVESTOCK

DO NOT contaminate feed or foodstuffs with this product or empty containers. DO NOT graze treated turf or feed grass-clippings from treated area to animals or poultry.

PROTECTION OF WILDLIFE, FISH, CRUSTACEANS AND ENVIRONMENT

Dangerous to fish. DO NOT contaminate streams, rivers or waterways with the chemical or used container.

STORAGE AND DISPOSAL

Store in the closed, original container in a cool, well-ventilated area. DO NOT store for prolonged periods in direct sunlight. Triple or preferably pressure rinse containers before disposal. Add rinsings to spray tank. DO NOT dispose of undiluted chemicals onsite. If recycling replace cap and return clean containers to recycler or designated collection point. If not recycling, break, crush or puncture and bury empty containers in a local authority landfill. If no landfill is available, bury the containers below 500mm in a disposal pit specifically marked and set up for this purpose clear of waterways, desirable vegetation and tree roots. Empty containers and product should not be burnt.

SAFETY DIRECTIONS

Attacks eyes and skin. Avoid contact with eyes and skin. DO NOT inhale spray mist. Repeated exposure may cause allergic disorders. Sensitive workers should use protective clothing. When preparing spray and using the prepared spray wear cotton overalls, buttoned to the neck and wrist, a washable hat, elbow-length PVC gloves, goggles and disposable mist mask. If clothing becomes contaminated with product or wet with spray, remove clothing immediately. If product on skin, immediately wash area with soap and water. If product in eyes, wash it out immediately with water. After use and before eating, drinking or smoking, wash hands, arms and face thoroughly with soap and water. After each day's use, wash gloves and goggles and contaminated clothing.

FIRST AID

If poisoning occurs, contact a doctor or Poisons Information Centre. Phone Australia 131126. If swallowed DO NOT induce vomiting. Give a glass of water.

MATERIAL SAFETY DATA SHEET

Additional information can be obtained from the Material Safety Sheet

CONDITIONS OF SALE

Agricultural, horticultural and pastoral preparations in their application involve varying factors such as differing conditions, soil, climate and methods of application over which the vendor does not have control, Whilst Colin Campbell (Chemicals) Pty. Ltd believes that all goods sold by it are true to label and are effective and safe for purpose indicated the company and the seller hereby expressly negate and exclude any express or implied condition, statement or warranty, statutory or otherwise, as to quality or fitness of any goods sold for any purpose or purposes whatsoever except such warranties and conditions, if any, as are implied by the Trade Practices Act 1974 (Commonwealth). The company and the seller accept no responsibility for any loss, harm or damage whatsoever suffered from the use of such goods for any purpose or purposes irrespective of whether or not the buyer was acting in reliance upon the advice recommendation or representation of the seller or any representative agent of employee of the company as to such use except in respect of breaches of conditions and warranties, if any, implied by the Trade practices Act and in respect of such breaches the liability of the company and the seller shall be limited to the replacement of the goods or the supply of equivalent goods, or the payment of the cost of replacing the goods.

THIS PRODUCT IS NOT A DANGEROUS GOOD FOR TRANSPORT AND STORAGE IN AUSTRALIA.
