

DURATURF® Parklands

Duraturf® Parklands is ideal for those areas where cool and warm season grasses both exist in the turf environment. Duraturf® Parklands contains a blend of perennial ryegrass and seeded couch. Duraturf® Parklands will produce a quality turf cover in areas where there is limited water supply but turf cover is required to ensure safe playing surfaces.

Features

- Exceptional drought tolerance
- Rapid establishment
- Mid-green appearance
- Recovery from wear

Cultivar	Species
Arena I	Perennial ryegrass
Colosseum	Perennial ryegrass
Sahara	Bermudagrass
